

Kristy Wright
RN, BSN, MBA, FAAN
DIRECTOR

Kristy is a Director at Simione Healthcare Consultants with 30 years of home care, hospice, personal care/private duty, telehealth and home medical equipment experience including 11 years as the President/CEO of a large diversified home care agency.

Kristy's experience ranges from direct care provider to administration including strategic planning, business planning and growth, operations, policies and procedures, regulatory compliance, culture change and performance improvement. Her consulting experience includes organizational and operational design, needs/feasibility assessment, workflow analysis, productivity improvements, training and education, compliance, policy and procedure development and performance improvement. In addition, she has developed and presented public speaking engagements on various topics that encompass operational issues, strategic planning, Medicare Advantage, telehealth, change management, performance improvement and customer satisfaction.

Kristy's previous employment includes executive C-level management where she was responsible for the administration of a free-standing multi-county agency. Kristy is a registered nurse with a BSN from the Pennsylvania State University and an MBA from the University of Pittsburgh. She is a Fellow in the American Academy of Nursing, a member of the Pennsylvania Homecare Association and the National Association for Home Care & Hospice, and was selected as the Home Care Executive of the Year in 2002.
