

Suzanne B. Sblendorio
BSN, MA
DIRECTOR

Suzanne Sblendorio is the Director of the
Information Technology Consulting Services
Division at Simione Healthcare Consultants.

Suzanne is an industry leader with more than forty years of experience as an executive and consultant in the home health care and the information technology industries.

Suzanne leads a team of expert industry consultants in all aspects of information system evaluation, implementation, and assimilation, including new system selection, implementation services, analysis of system adoption and ROI, process reengineering and work flow documentation, and system design. Suzanne uses her extensive combined industry management and technology experience to lead the client to technology solutions for business problems and to gain a competitive edge.

Suzanne Sblendorio is a member of the Health Information Management Systems Society, American Telemedicine Association, National Association for Home Care and Hospice, and the Home Health Care Association of NJ. She has a graduate degree from Montclair State University and a BSN from Georgetown University.

Influential national speaker, Suzanne Sblendorio has presented to the National Association for Home Care and Hospice Financial Management Assn., Home Health Assembly of NJ, American Hospital Assn, Mid-Atlantic Health, Decision Health and other state and national associations. She has been a contributing author for Modern Health Care, Hospitals, Health Care Marketer, The Remington Report and Home Health Care, a textbook for W.B. Saunders.
